

J.R.Schrieffer, 1964, Theory of Superconductivity

Koji Higasa

2020 年吉日

# 目次

# 第 1 章

## Introduction

### 1.1 Simple Experimental Facts

### 1.2 Phenomenological Theories

#### 1.2.1 Gorter-Casimir Model

(1-6).

(1-8).

(1-9).

#### 1.2.2 The London Theory

#### 1.2.3 F.London's Justification of the London Theory

(1-30).

#### 1.2.4 Pippard's Nonlocal Generalization of the London Theory

#### 1.2.5 Ginsburg-Landau Theory

(1-43).

(1-44).

(1-48).

(1-51).

(1-52).

## 第 2 章

# The Pairing Theory of Superconductivity

### 2.1 Physical Nature of the Superconducting State
